	elero	Roller shutters/blinds & awnings	Controls Radio receivers	Combio-868 HE	868*1	V5 + V6
elero	Roller shutters/blinds & awnings	Controls Radio receivers	Combio-868 LJ (bidi)	868*1	V5 + V6	
elero	Roller shutters/blinds & awnings	Controls radio-controlled socket	Unio-868	868*1	V5 + V6	

The hardware version of the Centro Home box can be seen on the type plate on the back of the box:

Only if the addition „(V6)“ is present in the designation „Centro Home“ on the type plate, all devices in this compatibility list can be integrated into the Centro Home NXT („V5 + V6“). If this addition is missing, the compatibility is limited to the devices marked with „V5“ are limited!

Note:

The functionality of connected devices may be limited.

www.elero.com

*1 bidirectional radio system

*2 Limited bidirectional radio system

*3 Manual/auto switchover only possible on the VarioTec-868

868* = elero ProLine 2 (bidirectional)
